From: George M. Burgess
County Manager 

Subject: Request to Advertise, Request for Proposals Non-Exclusive Advertising Display
Program at Miami International Airport, RFP No. MDAD-05-06

Agenda Item No. 8(A)(1)(F)

RECOMMENDATION

It is recommended that the Board approve this request to advertise a Request for Proposals (RFP) for non-exclusive Advertising Display Program at Miami International Airport (MIA). A copy of the RFP is attached in substantially completed form.

SCOPE

MIA is located within Commissioner Rebeca Sosa's District. However, the impact of this agenda item is countywide in nature as Miami International Airport is a regional asset.

The scope of this project consists of offering advertising locations to be financed, designed, developed, furnished, installed, maintained and operated by the Selected Proposer to ensure implementation of a comprehensive, successful, dynamic, creative and profitable Advertising Display Program at MIA.

TRACKING RECORD/MONITOR

Not applicable as this is a request to advertise. The Miami-Dade Aviation Department (MDAD) Project Manager will be Dr. Patricia Ryan.

FISCAL IMPACT/FUNDING SOURCE

This is a revenue-generating contract for the County. See Payments to the County.

BACKGROUND

The current static advertising and exhibit display services concession is managed by JCDecaux Airport, Inc., which has been performing advertising services at MIA since March 1, 1994. Under the current agreement, MDAD owns all the advertising displays and the incumbent sells advertising to third parties. The new Agreement requires the Selected Proposer to provide all displays.

MDAD held an Industry Review Meeting on May 31, 2006, which was attended by fourteen (14) representatives from potential advertising services providers. As a result of that meeting, it was determined it would be in the best interest of the Department to extend the term of the proposed Agreement, adjust the Minimum Qualifications and the number of locations. Interested parties were informed of the adjustment to the RFP via letter, and the RFP was structured to address these issues.

1.1.1 MIAMI INTERNATIONAL AIRPORT GENERAL DESCRIPTION

Aviation has been a hometown industry in Miami, having started more than 75 years ago. The first flight from Pan Am Field in 1928 was an international departure. Today, Miami International Airport enjoys top rankings as the leading international freight airport in the USA and the nation's third leading gateway for international passenger traffic.

MIA strengths in international passengers, and cargo activity stimulate a host of other companies, such as tourism, the cruise industry and international banking and commerce. More than 77% of all exports and 80% of all imports between the United States and the Latin American/Caribbean region flow through MIA.

MIA is the port of entry for 79% of all international traffic arriving by air to Florida. The Airport is the world's largest Latin American/Caribbean gateway, offering over 1,100 weekly departures with direct service to 62 destinations in the region. With 46% of total passenger traffic being international, MIA is among the top two airports in the U.S. with the highest international to domestic passenger ratios.

Miami-Dade County operates the world's leading cruise port, and more than 80% of all cruise passengers begin or end their cruise with flights to/from the Airport. In addition, Miami is the leading international financial center in the southeastern United States. The Airport stimulates much of that activity as well, through the financing of international trade facilitated through our Airport. During 2005, trade originating and clearing at MIA amounted to 881,563 tons, valued at \$27.6 billion. This activity represents only 56% of the actual total of 1.58 million tons of international freight, as the remaining 44% was shipped through MIA in-transit to third-country destinations.

Following are "Facts at a Glance" information regarding the Miami-Dade Aviation Department, as of April 2007:

Miami-Dade Airports:

- Miami International Airport - MIA
- Opa-locka Executive Airport - OPF
- Kendall-Tamiami Executive Airport - TMB
- Homestead General Aviation Airport - X51
- Dade-Collier Training and Transition Airport - TNT

Economic Impact:

The Airport's annual impact on local tourism, cruise, international banking, trade & commerce is \$19.1 billion. The Airport and related aviation industries contribute 242,387 jobs directly and indirectly to the South Florida economy. That equates to one out of 4.3 jobs.

Parking: Two long-term parking garages – Dolphin and Flamingo – and two short-term lots provide approximately 7,885 spaces, including those reserved for persons with disabilities. There is also a high-vehicle lot adjacent to the Dolphin Garage.

Airport Improvements: The Airport's \$6.2 billion Capital Improvement Program is well under way, encompassing all aspects of Airport operations, from the terminal and roadways to the cargo facilities and the airfield.

New Runway: One of the major projects of the CIP was the construction of MIA's Fourth Runway. Operational in September 2003, the new 8,600-foot runway has increased MIA's airfield capacity by 25%, extending the ability of the Airport to sustain growth, while decreasing the cost of delays to airlines and passengers.

Terminal: MIA's passenger terminal has grown from 3.5 million square feet in 1995 to 4.7 million square feet. Further development of the North and South Terminals will add 2.7 million square feet for a total of 7.4 million square feet upon completion of Phase One of the CIP, with 100 international gates and 30 domestic gates for a total of 130 gates. The Terminal will have 556 ticket counters and 120 self-service check-in devices.

Cargo: MIA's cargo facility development program that began in 1992 has been completed, providing the Airport with over 2.7 million square feet in seventeen new cargo buildings. Apron space has grown to over 3.8 million square feet, capable of handling 17 B747s or 38 DC 10F's.

Roadway Improvements

Central Boulevard: To accommodate forecasted growth, improvement programs include: widening of Central Boulevard, new service roads, wider bridges and improved access to parking facilities.

25th Street Viaduct: N.W. 25th Street is the primary connector to the Florida Intrastate and Federal Highway System for ground transportation of air cargo. MDAD has partnered with FDOT and has allocated funding for a project to widen the existing roadway to six lanes and construct an elevated viaduct/roadway between MIA, over SR 826, and out to N.W. 82nd Avenue.

Concession Information: Part of the Airport CIP will include the refurbishment of Terminal interiors and construction of new concession locations. There are approximately 124 retail/food and beverage locations at MIA. With the buildout of new concessions, MIA will more than double to 250 locations

The Airport is divided into three terminals: North (currently Terminals A-D), Central (E, F and G) and South Terminals (H and under construction J).

The **North Terminal** will have approximately 60-65% of the passenger traffic. The North Terminal will become a linear Terminal running from A - D Concourse.

The North Terminal has 44,000 square feet of existing concession space. There are three duty free stores, seven news/gifts, three specialty retail stores, one sundries store and twenty-one food and beverage locations.

The North Terminal is in the process of being built out with new food/beverage and retail concessions. Food/beverage locations have been added or renovated in the past two years (*Starbucks* was added in the Atrium of Concourse A, and a Miami Subs was renovated into a *Jose Cuervo Tequilaria*). A new Carousel Cone (a local concept) is under construction. A new *Café Versailles* has opened at the end of A and a new *Islander Grille and Bar* is planned across from the new Café.

The **Central Terminal** is located between the North and South Terminals in the center of the landside area and is now known as Terminals/Concourses E, F and G. The majority of the retail space is located on the pre-security portion of the Airport Terminal.

Existing concessions include five duty free stores, seven news/gifts stores, seven specialty retail stores and thirty-seven food and beverage locations totaling 73,000 square feet.

There is a food court in the Central Terminal with recently changed concepts including *Starbucks*, *California Pizza Kitchen*, *Great American Bagel*, *Burger King* and *Café Bacardi*. Additional concepts throughout

the landside include *Chili's*, *Café Versailles*, *Sbarros*, *Au Bon Pain*, and *Cozolli's*. Concourse concessions include *Chili's to Go*, *Guava-Java*, and *Burger King*.

The **South Terminal** is being built to accommodate the *Star Alliance* and *Skyteam Alliance* which include *United Airlines*, *U.S. Airways*, *Delta Airlines* and their code share and marketing Alliance partners. Approximately 20-25% of all passenger traffic is expected to flow through the South Terminal with 26 airlines planned to occupy the Terminal.

The existing South Terminal Concourse and Terminal area currently has two existing news/gifts stores, and six food and beverage locations totaling 7,700 square feet. Food and beverage offerings include *Café Versailles*, *Starbucks*, *Cinnabon*, *Au Bon Pan*, *Hammerhead bar* and *Hurricane Reef bar*.

The South Terminal is planned to be in substantial completion in the fall 2007 and open March, 2008. This terminal will have approximately 40,000 square feet of concession locations to be built out with in the next year.

A new Concession Hall in the South Terminal joins Concourse H and Concourse J. Concessions are already located in Concourse H. New Concessions are planned for the Concourse J and the Concession Hall, which is beyond security with limited additional concessions before security. Some locations have been deferred until the passenger traffic builds up enough to create demand for additional locations.

There will be approximately twelve concessions totaling 8,600 square feet of food and beverage concessions. Concessions are planned to include *Nathan's Famous*, *Nestle Toll House*, *ILLY*, *Bongos (Bar)*, *Haagen Dazs* (yogurt/pastry), *Dan Marino's* (café/bar), *McDonalds*, *Gilbert's foodbar* (Latin) *Beanery*, *Islander* (Caribbean) and *Famous Famiglia Pizzeria* (Italian).

There will be four new duty and tax free concessions totaling 8,700 square feet. These locations will be built out by *Duty Free Americas*.

There will be ten locations totaling approximately 12,100 square feet of news/gifts, newsstands and books.

The individual or firm must submit a revised affidavit for any additional team members with the Clerk of the Board at least two (2) days prior to the oral presentation. Any person not listed on the revised affidavit or who is not a registered lobbyist will not be permitted to participate in the oral presentation.

NOTE: Other than for the oral presentation, Proposers who wish to address the Board of County Commissioners, or a County board or committee concerning any actions, decisions or recommendations of County personnel regarding this RFP must also register with the Clerk of the Board (Form BCCFORM2DOC) and pay all applicable fees.

In accordance with 2-11.1(s) of the Code, prior to conducting any lobbying, all principals must file a form with the Clerk of the Board of County Commissioners, signed by the principal or the principal's representative, providing that the lobbyist is authorized to represent the principal. Failure of a principal to file the form required by the preceding sentence may be

considered in the evaluation of this Proposal as evidence that a Proposer is not a responsible Proposer.

The County's Ethics Commission has also adopted rules delineating the responsibilities of lobbyists and County personnel in implementing the requirements of the lobbying section of the Conflict of Interest and Code of Ethics Ordinance (**see Appendix D-1**). The Proposer shall comply with these requirements.

3.3 INDEPENDENT PRIVATE SECTOR INSPECTOR GENERAL REVIEW

Pursuant to County Administrative Order No. 3-20 and in connection with any award issued as a result of this RFP, the County has the right to retain the services of an IPSIG, whenever the County deems it appropriate. Upon written notice from the County, the Successful Proposer shall make available to the IPSIG retained by the County all requested records and documentation pertaining to this Proposal or any subsequent award for inspection and copying. The County will be responsible for the payment of these IPSIG services and under no circumstance shall the Proposer's cost/price for this Proposal be inclusive of any charges relating to these IPSIG services. The terms of this provision herein apply to the Proposer, its officers, agents, employees and Subcontractors/Subconsultants. Nothing contained in this provision shall impair any independent right of the County to conduct, audit or investigate the operations, activities and performance of the Proposer in connection with this RFP or any Contract issued as a result of this RFP. The terms of this provision are neither intended nor shall the Proposer or any third party construe them to impose any liability on the County.

3.4 MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEW

According to Section 2-1076 of the Code, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all County contracts, throughout the duration of said contracts, except as otherwise provided below. The cost of the audit of any contract issued as a result of this RFP shall be one quarter (1/4) of one (1) percent of the total contract amount which cost shall be included in the total contract amount [See below "Exception" for (f) concessions and (h) revenue-generating contracts.]

Exception: The above application of one quarter (1/4) of one percent fee assessment shall not apply to the following contracts: (a) IPSIG contracts; (b) contracts for legal services; (c) contracts for financial advisory services; (d) auditing contracts; (e) facility rentals and lease agreements; (f) concessions and other rental agreements; (g) insurance contracts; (h) revenue-generating contracts; (i) contracts where an IPSIG is assigned at the time the contract is approved by the Commission; (j) professional service agreements under

\$1,000; (k) management agreements; (l) small purchase orders as defined in Miami-Dade County Administrative Order 3-38; (m) federal, state and local government-funded grants; and (n) interlocal agreements. **Notwithstanding the foregoing, the Miami-Dade County Board of County Commissioners may authorize the inclusion of the fee assessment of one-quarter (1/4) of one percent in any exempted contract at the time of award.**

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all County contracts including, but not limited to, those contracts specifically exempted above.

3.5 CONFLICT OF INTEREST AND CODE OF ETHICS

Pursuant to Section 2-11.1 of the Code, no County employee or his or her immediate family shall be prevented from entering into any contract, individually or through a firm, corporation, partnership or business entity, in which the employee or any member of his or her immediate family has a controlling financial interest with the County, or any person or agency acting for the County, as long as (1) entering into the contract would not interfere with the full and faithful discharge by the employee of his or her duties to the County, (2) the employee has not participated in determining the subject contract requirements or awarding the contract, and (3) the employee's job responsibilities and job description will not require him or her to be involved with the contract in any way, including, but not limited to, its enforcement, oversight, administration, amendment, extension, termination or forbearance. However, this limited exclusion shall not be construed to authorize an employee or his or her immediate family member to enter into a contract with the County or any person or agency acting for the County, if the employee works in the County department that will enforce, oversee or administer the subject contract.

Any affected County employee shall seek a conflict of interest opinion from the County Commission on Ethics and Public Trust ("the Ethics Commission") prior to submittal of a bid, response, or application, of any type, to contract with the County by the employee or his or her immediate family. A request for a conflict of interest opinion shall be made in writing and shall set forth and include all pertinent facts and relevant documents. For additional information, please contact the Ethics Commission hotline at (305) 579-2593.

If the affected employee or his or her immediate family member chooses to respond to a solicitation to contract with the County, such employee shall file with the Clerk of the Board a statement, in a form satisfactory to the Clerk of the Board, disclosing the employee's interest or the interest of his or her immediate family in the proposed contract and the nature of the intended contract at the same time as or before submitting a bid, response, or application of any type to contract with the County. Along with the disclosure form, the affected employee shall file with the Clerk of the Board a copy of his or her request for an Ethics Commission opinion and an opinion or waiver from

the Board. Also, a copy of the request for a conflict of interest opinion from the Ethics Commission and any opinion or waiver must be submitted with the response to the solicitation to contract with the County.

3.6 TELEPHONE LOGS

Pursuant to Section 11A-43(4) of the Code, each Proposer must maintain telephone logs of all telephone calls to and from subcontractors/subconsultants and suppliers. These logs shall contain the name of the subcontractor/subconsultant or supplier, the time and date of the call, the names of the persons contacted, a description of the work to be subcontracted or of the material to be furnished, and the dollar amount of the quotation. Telephone logs shall be made available to County personnel.

3.7 PROPRIETARY/ CONFIDENTIAL INFORMATION

Proposers are hereby notified that all information submitted as part of, or in support of their Proposal will be available for public inspection after opening of Proposals, in compliance with Chapter 119 of the Florida Statutes. The Proposer shall not submit any information in response to this Solicitation, which the Proposer considers to be a trade secret, proprietary or confidential. The submission of any information to the County in connection with this Solicitation shall be deemed a waiver of any trade secret or other protection, which would otherwise be available to Proposer. In the event that the Proposer submits information to the County in violation of this restriction, either inadvertently or intentionally, and clearly identifies that information in the Proposal as protected or confidential, the County shall endeavor to redact or return that information to the Proposer as practicable, and if appropriate, evaluate the balance of the Proposal. The redaction or return of information pursuant to this clause may render a Proposal non-responsive.

3.8 ORDINANCES, RESOLUTIONS AND/OR ADMINISTRATIVE ORDERS

To request a copy of any ordinance, resolution and/or administrative order cited in this Solicitation, the Proposer must contact the Clerk of the Board at (305) 375-5126.

3.9 RULES, REGULATIONS AND LICENSING REQUIREMENTS

The Proposer shall comply with all laws, ordinances and regulations applicable to the services contemplated herein, especially those applicable to conflicts of interest and collusion. The Proposer is presumed to be familiar with all federal, state and local laws, ordinances, codes, rules, regulations, operational directives and other Department procedures that may in any way affect the goods or services offered. The Proposer shall also comply with Executive Order No. 11246 entitled "Equal Employment Opportunity" and as amended by Executive Order No. 11375, as supplemented by the Department of Labor

Regulations (41 CFR, Part 60), the Americans with Disabilities Act of 1990 and implementing regulations, the Rehabilitation Act of 1973, as amended, Chapter 553 of Florida Statutes and any and all other local, state and federal directives, ordinances, rules, orders, and laws relating to people with disabilities.

3.10 NONEXCLUSIVITY

This RFP is nonexclusive in character and in no way prevents the County from entering into an Agreement with any other parties for the sale or offering of competitive services, products or items by others in other Locations at the Airport during the term of the Agreement.

SECTION 4.0 AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISES

4.1 ACDBE REQUIREMENTS:

It is the policy of the County that ACDBE's shall have the maximum practical opportunity to participate in the performance of County agreements. As used in the Bid Documents, the term "Airport Concession Disadvantaged Business Enterprises (ACDBE)" means a small business concern, which (a) is at least fifty-one percent (51%) owned by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it as set forth in 49 CFR Part 23, Code of Federal Regulations. The County has established an ACDBE concession specific **goal of eleven percent (11%) of gross revenues**. The ACDBE overall goal can be achieved either through the Proposer being an ACDBE itself, a partnership or joint venture, or subcontracting a percentage of gross revenues.

The Airport Concession Disadvantaged Business Enterprise (ACDBE) Plan must be submitted with the Proposal in accordance with **Appendix H, Section II** and its supporting documents. The Successful Proposer will be required to submit to the Department's Minority Affairs Division, Monthly Utilization Reports (MUR) reflecting ACDBE revenue and operational expenses, commencing 90 days after beneficial occupancy and monthly thereafter, on or before the 10th of every month.

4.2 COUNTING ACDBE PARTICIPATION TOWARD CONTRACT GOALS

1. When an ACDBE participates in a contract, only the value of the work actually performed by the ACDBE toward the ACDBE goal will be counted.

2. When an ACDBE performs as a participant in a joint venture, a portion of the total dollar value of the contract **during the complete contract term**, equal to the distinct clearly defined portion of the work of the contract that the ACDBE performs will be counted toward ACDBE goals as outlined in **Appendix H**.
3. Expenditures to an ACDBE contractor toward ACDBE goals will be counted only if the ACDBE is performing a commercially useful function as defined below:

- (a) An ACDBE performs a commercially useful function when it is responsible for execution of specific quantifiable work of the contract and is carrying out its responsibilities by actually performing, or managing, or supervising the specific identified work.

MDAD will determine whether an ACDBE is performing a commercially useful function by evaluating the specific duties outlined in the Joint Venture Agreement; the subcontract agreement or other agreements in accordance with industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors.

- (b) An ACDBE does not perform a commercially useful function if its role is limited to that of an extra participant in a financial or other transaction, contract, or project through which funds are passed in order to obtain the appearance of ACDBE participation.
 - (c) If an ACDBE does not perform or exercise responsibility for at least their percentage of its participation or if the ACDBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that the ACDBE is not performing a commercially useful function.
 - (d) When an ACDBE is presumed not to be performing a commercially useful function as provided in paragraph (c) of this section, the ACDBE may present evidence to rebut this presumption. MDAD will determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.
4. MDAD's decision on commercially useful function matters are final.

4.3 ACDBE GOAL ACHIEVED THROUGH JOINT VENTURE ("JV") PARTNERING

Proposers may decide to satisfy a part of the ACDBE goal by Joint Venturing with an ACDBE. The ACDBE partner must meet the eligibility standards set forth in 49 CFR Part 23. A "joint venture" or ("JV") shall mean and may be referred to as an "association" of two or more businesses acting as a Successful Proposer and performing or providing services on a contract, in which each joint venture or association partner combines property, capital,

efforts, skill, and/or knowledge. The joint venture agreement must specify the following:

- (1) Each ACDBE joint venture ("JV") partner must be responsible for a clearly defined portion of the work to be performed. The work should be detailed separately from the work performed by the non-ACDBE JV partner.

The work should be submitted as part of this solicitation and annually thereafter to the Aviation Department's Minority Affairs Division. The work to be performed by the ACDBE joint venture partner should be store specific with regards to tasks and locations.

The ACDBE Joint Venture partner will be required to spend the minimum amount of aggregate time on-site, focused on the operation of the concession. Such "minimum amount of aggregate time" is defined as ten hours per week.

- (2) Each Joint Venture partner must submit a notarized Monthly Utilization Report and a notarized Monthly Report of ACDBE Joint Venture Activity providing details of how the performance objectives were achieved and providing documentation of that achievement on the form. This information should include, but not be limited to:
 - a. Details of training sessions, including class rosters and lesson plans.
 - b. Deliverables and work products.
 - c. Time sheets of partner employees used to fulfill objectives. Time sheets must accurately reflect hours worked and compensation earned.
 - d. Proof that employees of partners actually work for them (payroll, payroll tax returns and the like).
- (3) Each ACDBE partner must share in the ownership, control, management, and administrative responsibilities, risks and profits of the JV in direct proportion to its stated level of JV participation.

Each ACDBE JV partner must perform work that is commensurate with the Lease Agreement.

As described below, each Proposer must submit, as part of its Proposal, a plan for the achievement of the ACDBE goal, including Schedule of Participation and the Letter of Intent from ACDBE's who are Certified or have applied for Certification to the Miami-Dade County Department of Business Development as required by Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation Plan.

Without limiting the requirements of the Agreement, the County will have the right to review and approve all agreements utilized for the achievement of these goals. Such agreements must be submitted with the Proposal.

4.4 CERTIFICATION-AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE)

In order to participate as an ACDBE on this contract, an ACDBE must be certified or have applied for certification to the Miami-Dade County Department of Business Development (DBD) or Florida Uniform Certification Program (FLUCP) at the time of Proposal submittal, but the ACDBE firm must be fully certified on or before the award date.

Application for certification as an ACDBE may be obtained by contacting the Miami-Dade County Department of Business Development (DBD) located at 111 NW 1st Street, Stephen P. Clark Center, 19th floor, Miami Florida 33128-1974 or by telephone at (305) 375-3111 or facsimile at (305) 375-3160, or visit their website at www.co.miami-dade.fl.us/DBD/.

The ACDBE Certification List is maintained and published at least every other week by the Department of Business Development (DBD) and contains the names and addresses of currently certified Airport Concession Disadvantaged Business Enterprise (ACDBEs) certified by the agency.

The FLUCP Directory is available at <http://www.bipincwebapps.com/biznetflorida/>. The Directory lists the firm's name, address, phone number, date of the most recent certification, certifying agency and type of work the firm has been certified to perform. The FLUCP updates the data every 24 hours and revises the Directory regularly. The address for Florida UCP is:

4.5. AFFIRMATIVE ACTION AND AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE PROGRAMS:

The Successful Proposer acknowledges that the provisions of 14 CFR Part 152, Affirmative Action Employment Programs, and 49 CFR Part 23, Disadvantaged Business Enterprise Programs, are applicable to the activities of the Successful Proposer under the terms of the Agreement, unless exempted by said regulations, and hereby agrees to comply with all requirements of the Department, the Federal Aviation Administration and the U.S. Department of Transportation.

These requirements may include, but not be limited to, the compliance with Airport Concession Disadvantaged Business Enterprise and/or Employment Affirmative Action participation goals, the keeping of certain records of good faith compliance efforts, which would be subject to review by the various agencies, the submission of various reports and, if directed by the Department, the contracting of specified percentages of goods and services contracts to Airport Concession Disadvantaged Business Enterprises. In the event it has been determined, in accordance with applicable regulations, that the Successful Proposer has defaulted in the requirement to comply with the provisions of this section and fails to comply with the sanctions and/or remedies then prescribed, the County shall have the right, upon written notice to the Successful Proposer, to terminate this Agreement, pursuant to Default language referenced in the Agreement.

The Successful Proposer shall include the following nondiscrimination language in concession and management related contracts with MDAD:

"This agreement is subject to the requirements of the US Department of Transportation's Regulations 49 CFR Part 23. The Successful Proposer or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23."

"The Successful Proposer or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements."

4.6 ACDBE MENTORING, ASSISTANCE AND TRAINING PROGRAM:

Consistent with the goal of providing ACDBEs with hands-on participation and the responsibility for a clearly defined portion of the Airport Concession operations, subject to Section 4 "Airport Concession Disadvantaged Business Enterprise" hereof, each ACDBE shall have the duty and responsibility to operate certain areas of the concession(s) following a mentoring period, if needed, which shall include but not be limited to the following specific duties and responsibilities:

- (3) Reports of the ACDBE Mentoring Program shall be submitted to the Department's Minority Affairs and Business Management Divisions, outlining the specific areas of training (*i.e.*, components covered, total number of hours of training, training material covered, etc.).

4.7 AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION PLAN:

The Successful Proposer shall contract with those firm(s) as are listed on the Successful Proposer's ACDBE Participation Plan in the Proposal documents and approved by the Department, and shall thereafter neither (i) terminate such ACDBE firm(s), nor (ii) reduce the scope of the work to be performed, nor (iii) decrease the percentage of participation, nor (iv) decrease the dollar amount of participation by the ACDBE firm(s) without the prior written authorization of the Department.

The County shall monitor the compliance of the Successful Proposer with the requirements of this provision during the term of this agreement.

The County shall have access to the necessary records to examine such information as may be appropriate for the purpose of investigating and determining compliance with this provision, including, but not limited to, records, records of expenditures, contracts between the Successful Proposer and the ACDBE Participant, and other records pertaining to the ACDBE Participation Plan.

If at any time the County has reason to believe that the Successful Proposer are in violation of this provision, the County may, in addition to pursuing any other available legal remedy, impose sanctions which may include, but are not limited to, the termination or cancellation of the agreement in whole or in part, unless the Successful Proposer demonstrates, within a reasonable time, its compliance with the terms of this provision. No such sanction shall be imposed by the County upon the Successful Proposer except pursuant to a hearing conducted by the ACDBELO and/or Director.

SECTION 5.0 EVALUATION PROCESS

5.1 PROCESS OVERVIEW

Each Proposal will be evaluated by an Evaluation/Selection Committee ("Committee") appointed by the County Manager. It is the responsibility of the Committee to ensure that a Proposal submittal complies with all of the requirements of this RFP and to assess it accordingly.

5.2 REVIEW OF PROPOSALS FOR RESPONSIVENESS AND RESPONSIBLENESS

Each Proposal will be preliminarily reviewed by County staff for a determination of compliance with the submission requirements outlined in this RFP. A responsive Proposal is one which meets the minimum qualification

requirements, follows the requirements of this RFP, includes all documentation, is submitted in the format outlined in the RFP, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in a Proposal being deemed non-responsive by the Office of the County Attorney.

The Committee shall then evaluate the Proposer's Proposal to determine if it is responsible. In making this determination, the Committee shall have the right to investigate the management, operational experience, reputation and business judgment of any Proposer, their affiliates and/or parent company(s), including the conducting of investigations of the officers, directors, principals and stockholders, and to review and investigate all contracts the Proposer has performed for the County or others. The Proposer agrees to provide, upon request, any additional information that may be required by the Committee or the County. In addition, the Committee reserves the right to inspect the facilities at which the Proposer conducts its business and provides services.

5.3 EVALUATION PROCESS

Evaluation criteria has been established based upon the goals and objectives as provided in this RFP. Based on the Committee's evaluation of the written Technical Proposal and oral presentations, if required, the Committee shall rate and rank the responsive and responsible firms on their Proposal based on the Technical Criteria listed below. The Technical Criteria listed below are not of equal value or decision weight nor are they necessarily ranked in order of importance. The Technical Criteria are itemized with their respective weights for a maximum total of eight hundred fifty (850) points per each voting Committee member, for all Technical Criteria. A Proposer may receive the maximum points or a portion of this score depending on the merit of its Proposal, as determined by the Committee member in accordance with the criteria listed below.

If there is only one (1) responsive, responsible Proposer, the Committee may, following evaluation of the Price Proposal, recommend to award or negotiate an Agreement or to reject the sole Proposal.

<u>Technical Criteria</u>	<u>Max. Points</u>
1) Marketing and Sales Plan	200
2) Design and Implementation	150
3) Management and Operation Plan	100
4) Experience and Qualifications	150
5) Financial Capacity to Perform/Financing	150
6) ACDBE Participation	100
Technical Proposal Maximum Points	850 (Maximum)

Price Proposal Evaluation

<u>Criteria</u>	<u>Maximum</u>
1) MAG proposed	75
2) Percentage Fee Proposed	75
Sub-Total Price Proposal Maximum Points	<u>150</u>
Total Maximum Evaluation Points	<u>1000</u>

5.4 PRICE PROPOSAL EVALUATION

After the Evaluation/Selection Committee evaluates the Technical Proposals in light of the oral presentation (if necessary), it will then evaluate the Price Proposals.

The sealed Price envelopes of the responsive/responsible Proposers will then be opened. The Price Proposals will be considered separately and only after the evaluation of the Technical (Quality) Proposals has been completed by the Evaluation/Selection Committee.

The Price Proposal will be assigned a maximum of one hundred fifty (150) points per each voting Evaluation/Selection Committee member, which will be comprised of a maximum of seventy-five (75) points for the Minimum Annual Guarantee ("MAG") proposed and a maximum of seventy-five (75) points for the Percentage Fee proposed. The Price Proposals will be evaluated in the following manner:

MAG Criteria:

1. The responsive/responsible proposal with the highest proposed MAG will be given the full weight of seventy-five (75) points assigned to the MAG criterion.
2. Every other responsive/responsible proposal will be given points proportionately in relation to the highest proposed MAG. This point total will be calculated by dividing the MAG of the proposal being evaluated by the highest proposed MAG with the result being multiplied by the maximum weight for the MAG of seventy-five (75) points to arrive at a Price score of less than the full score for the MAG criterion.

$$\text{Example: } \frac{\text{Proposer's Proposed MAG}}{\text{Highest Proposed MAG}} \times \text{Total Points for MAG} = \text{MAG Score}$$

Percentage Fee Criteria:

1. The responsive/responsible proposal with the highest proposed Percentage Fee will be given the full weight of seventy-five (75) points assigned to the Percentage Fee criterion.

2. Every other responsive/responsible proposal will be given points proportionately in relation to the highest proposed Percentage Fee. This point total will be calculated by dividing the Percentage Fee of the proposal being evaluated by the highest proposed Percentage Fee with the result being multiplied by the maximum weight for the Percentage Fee of seventy-five (75) points to arrive at a Price score of less than the full score for the Percentage Fee criterion.

Example:
$$\frac{\text{Proposer's Proposed Percentage Fee}}{\text{Highest Proposed Percentage Fee}} \times \text{Total Points for \% Fee} = \% \text{ Fee Score}$$

The MAG score and the Percentage Fee Score will then be added for each Proposer to come up with a total Price Proposal score.

The application of the above formula will result in a uniform assignment of points relative to the Price criterion.

5.5 OVERALL RANKING

The Evaluation/Selection Committee will then determine the overall ranking by adding the Price Proposal score with the Technical (Quality) Proposal evaluation score and all other applicable additional points specified in this Solicitation, if any, to determine the overall ranking.

Following the evaluation and overall ranking of the proposals, the Evaluation/Selection Committee will recommend to the County Manager that a contract be awarded to the highest ranked responsive and responsible Proposer or that a contract be negotiated with the highest ranked responsive and responsible Proposer (see also Section 5.7).

5.6 LOCAL PREFERENCE

Pursuant to Section 2-8.5 of the Code, a local preference is provided as follows:

1. Local business means the vendor has a valid occupational license issued by Miami-Dade County at least one (1) year prior to bid or proposal submission to do business within Miami-Dade County that authorizes the business to provide the goods, services or construction to be purchased, and a physical business address located within the limits of Miami-Dade County from which the vendor operates or performs business. Post Office Boxes are not verifiable and shall not be used for the purpose of establishing said physical address. In addition to the foregoing, a vendor shall not be considered a "local business" unless it contributes to the economic development and well-being of Miami-Dade County in a verifiable and measurable way. This may include, but not be limited to the retention and expansion of employment opportunities and the support and

increase to the County's tax base. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid or proposal to be eligible for consideration as a "local business" under this section. A vendor who misrepresents the Local Preference status of its firm in a proposal or bid submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year. The County Manager, in his discretion, may also recommend that the firm be referred for debarment in accordance with Section 2-8.4.1 of the Code.

2. Request for proposals, qualifications or other submittals and competitive negotiation and selection. If, following the completion of final rankings (technical and price combined, if applicable) by the selection committee, a non-local business is the highest ranked Proposer, and the ranking of a local Proposer is within 5% of the ranking obtained by the non-local Proposer, then the highest ranked local Proposer shall have the opportunity to proceed to negotiations with the County under the applicable sections of the Code.
3. If a tie occurs between two (2) or more local businesses, then contract award on the basis of best and final bids, or the opportunity to proceed to negotiations, shall be made to such local business having the greatest number of its employees that are Miami-Dade County residents.
4. The application of local preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners. The application of local preference to a particular purchase or contract for which the County Manager is the awarding authority may be waived upon written recommendation of the Director of Procurement Management or successor and approval of the County Manager.
5. The preferences established herein in no way prohibit the right of the Board of County Commissioners to compare quality of materials proposed for purchase and compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preferences established herein in no way prohibit the right of the County Commission from giving any other preference permitted by law instead of the preferences granted herein.
6. In the event Broward County, Palm Beach County or Monroe County extend preferences to local businesses, Miami-Dade County may enter into an interlocal agreement with such county wherein the preferences of this section may be extended and made available to vendors that have a valid occupational license issued by Broward County, Palm Beach County or Monroe County to do business in that county that authorizes the vendor to provide the goods, services or construction to be purchased, and a physical business address located within the limits of that county. Post office boxes are not verifiable and shall not be used for the purpose of establishing said physical address. In addition to the foregoing, a vendor

shall not be considered a "local business" unless it contributes to the economic development and well-being of Broward County, Palm Beach County or Monroe County, whichever is applicable, in a verifiable and measurable way. This may include, but not be limited to, the retention and expansion of employment opportunities and the support and increase to that county's tax base. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid or proposal to be eligible for consideration as a "local business" under this section. In no event shall the amount of the preference accorded Broward County, Palm Beach County or Monroe County firms exceed the amount of preference that such county extends to Miami-Dade County firms competing for its contracts. **Note: An interlocal agreement has been entered into with Broward County.**

7. The Proposer should complete, sign and submit the attached form, **Appendix F**, "Local Business Preference" with the Proposal, in order to be considered for local preference.

5.7 NEGOTIATIONS

If negotiations are recommended by the Evaluation/Selection Committee, or are required as a result of the application of local preference (see RFP Section 5.6), upon appointment and authorization by the County Manager, the Negotiation Committee will proceed to negotiate with the recommended Proposer(s). The County may award the attached Agreement on the basis of initial offers received, without discussion or negotiation. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint.

If the County and the selected Proposer(s) cannot negotiate a successful agreement, the County may terminate said negotiations and begin negotiations with the next ranked responsive/responsible Proposer. This process may continue until an Agreement is executed, or the County may reject all Proposals and re-advertise. The Proposer shall not have any legal rights or otherwise against the County arising from such negotiations or termination thereof.

5.8 CONTRACT AWARD

The Contract Award, if any, shall be made to the Proposer(s) whose Proposal shall be deemed by the Board to be in the best interest of the County. The Board's decision of whether to make the award and which Proposal is in the best interest of the County shall be final.

Prior to the filing of the County Manager award recommendation with the Clerk of the Board, the Proposer must execute the Agreement within seven (7) calendar days after such Agreement is presented to the Proposer. Upon notification of award recommendation, the Proposer must provide the required insurance within the time specified in the Agreement.

5.9 FAILURE TO COMPLETE CONTRACT AWARD REQUIREMENTS

Failure to furnish the required evidence of insurance or to execute the required documents, as referenced in Section 5.8 "Contract Award", may constitute a repudiation of the Proposer's submittal, and may result in the annulment of the award and result in forfeiture of any deposits and bonds provided pursuant to this RFP. The award may then be made to the next ranked responsive/responsible Proposer, or all remaining Proposers may be rejected and the RFP re-advertised.

5.10 RIGHTS OF PROTEST

A recommendation for contract award or rejection of award may be protested by a bidder or proposer in accordance with the procedures contained in Sections 2-8.3 and 2-8.4 of the Code, and as established in Miami-Dade County Administrative Order No. 3-21.

As a condition of initiating any protest, the protester shall present to the Clerk of the Board a non-refundable filing fee payable to the Clerk of the Board in accordance with the schedule provided below.

<u>Award Amount</u>	<u>Filing Fee</u>
\$ 25,001- \$100,000	\$ 500
\$100,001- \$500,000	\$1,000
\$500,001- \$5 million	\$3,000
over \$5 million	\$5,000

Any question, issue, objection or disagreement concerning, generated by, or arising from the published requirements, terms, conditions or processes contained or described in the solicitation document shall be deemed waived by the protester and shall be rejected as a basis for protest unless it was brought by that bidder or proposer to the attention, in writing, of the procurement agent, buyer, contracting officer or other contact person in the County department that issued the solicitation document, at least two (2) working days (not less than forty-eight (48) hours) prior to the hour of bid opening or proposals submission.

A protest hereunder may not challenge the relative weight of the evaluation criteria or the formula specified for assigning points therefore contained in bid, request for proposals or request for qualifications specifications which have been approved by the Commission.

Award Recommendations Over \$100,000

Notice of award recommendations for contracts and purchases involving the expenditure of over \$100,000 will be in writing, signed by the issuing

department to each competing bidder or proposer announcing the proposed award, and a copy shall be deposited with the Clerk of the Board on the same day it is mailed. The bidder or proposer must file a written intent to protest with the Clerk of the Board and shall mail it to all participants in the competitive process and to the County Attorney's Office within three (3) working days of the filing of the Manager's recommendation with the Clerk. Within three (3) working days after the filing of a written intent to protest, the protester shall then file with the Clerk of the Board all pertinent documents, stating with particularity the specific facts and grounds on which the protest is based and shall include supporting evidence, as well as the corresponding filing fee, and shall mail copies to all participants in the competitive process and to the Office of the County Attorney. Other facts, grounds, documentation or evidence not contained in the protester's submission to the Clerk of the Board at the time of filing the protest shall not be permitted in the consideration of the protest, except for such additional evidence as is allowed during the course of the protest proceedings. A hearing examiner shall be appointed to hear the protest and submit a written report and recommendation to the County Manager within twenty (20) working days of the filing of the protest (maximum 25 working days if hearing examiner consents to an extension request). Failure to timely file the written protest shall constitute a waiver of the right to protest the award recommendation.

The Department encourages the Concessionaire to provide and install or cause the Sub-Tenants to provide and install meters for utilities used at the Concessionaire's or its Sub-Tenant's expense. If billed by the Department, the Department at its sole discretion, will base this monthly charge on (i) a survey of consumption by the Department and current non-discriminatory rates charged others in the Terminal Building or (ii) at the option and expense of the Concessionaire on actual usage measured by temporary meters, arranged and paid for by the Concessionaire. This monthly charge may also be adjusted on a non-discriminatory basis and billed retroactively from time to time based on changes in consumption and rates. Concessionaire hereby agrees to pay the same within thirty (30) calendar days after it has received Department's invoice thereof. The Concessionaire shall

pay for all other utilities used by it including telephones and telephone service hook-up, data lines and additional electrical and communications services required.

The Department shall have no obligation to provide additional utilities to the locations listed in **Sub-Article 1.03 "Locations"** and **Sub-Article 1.04 "Administrative Office and Support Space"**.

The Concessionaire is liable and shall indemnify the Department for any damage to the Locations which results from the removal of said improvements. This provision shall survive the termination or expiration of this Agreement.

Off-Airport properties used as storage space will not be considered as Locations, as stated in **Article 4 "Improvements to the Locations"** or as an extension of this Agreement, and costs incurred by either the Concessionaire or its Sub-tenants to provide such storage space shall not constitute Approved Improvements.

Within thirty days after the Turn Over, the Concessionaire shall provide or cause its Sub-Tenants to provide to the Department an irrevocable Letter(s) of Credit with automatic renewals, in a form acceptable to the Department, in an amount equal to one hundred percent (100%) of the projected improvement costs for the annual anticipated locations to be constructed. - 4.04 PAYMENT FOR IMPROVEMENTS:** In no event shall any work related to improvements constructed by, on behalf of the Concessionaire, or the Department's approval thereof, give rise to any lien on the Department's interest in the Locations or any obligation or liability on the part of the Department. The Concessionaire shall pay the entire cost of all improvements so that both the Department and Concessionaire's interests in the Locations shall always be free of liens for labor or materials. If any lien or notice of contract relating to improvements constructed by, on behalf of, or under the Concessionaire is filed against the Locations, then Concessionaire shall discharge the same by payment or by filing any necessary bond within ten (10) days after Concessionaire has notice from any source of such lien.

- 4.05 CERTAIN CONSTRUCTION CONTRACT TERMS:** All contracts entered into by the Concessionaire and/or its Sub-Tenants for the construction of the Improvements shall

require completion of the improvements within the schedules submitted pursuant to **Sub-Article 4.02 "Design of Improvements"** and shall contain reasonable and lawful provisions for the payment of actual or liquidated damages to the Department in the event the contractor fails to complete the construction on time. The Surety Performance and Payment bond shall be in full force throughout the term of the installation contract.

The Concessionaire or the Sub-tenants, as the case may be, shall be responsible for documenting for the Auditor that the monies that were expended are true and correct. The costs of design and construction, in accordance with the Final Plans and any changes thereto requested by the Concessionaire or the Sub-tenants and approved by the Department, including the costs of required bonds, construction insurance and the construction audit, shall not include the cost of any other consultant or accountant fees, financing or legal fees and personal property of the Concessionaire or the Sub-tenants, as the case may be, as provided in **Sub-Article 4.01 "Improvements to Locations"**. expended amount and the Capital Investment, within one hundred eighty (180) calendar days from the date of Beneficial Occupancy of the corresponding Location.

The Concessionaire shall be entitled to obtain reimbursement of such payments made to the Department from the applicable Sub-tenants who fail to spend the Capital Investment for their specific Locations.

A certified audit of monies for the above expenditures performed at the expense of the Concessionaire will be required to confirm the Capital Investment within one hundred twenty (120) calendar days of Beneficial Occupancy for each Location. No non-receipted expenditures will be credited. If the approved total receipted amount is below the approved capital investment minimum, the Concessionaire will be required to pay the Department the difference between the Capital Investment amount and the actual receipted expenditure within ninety (90) calendar days after billing by the Department.

Concessionaires not submitting a certified audit within the allotted time may be billed a penalty of \$50.00 per day. Upon reconciliation, any difference due the Department shall also include an administrative fee of 25% of the monies due the Department on the build-out of the Locations.

Prior to the commencement of any construction installation or work by the Concessionaire, the Concessionaire shall provide or cause to be provided to the Department copies of a fixed price contract or contracts for all work to be performed at the Locations. The work to be performed under such contract(s) shall be insured by a Performance and Payment Bond provided by Concessionaire to the Department in the form contained in Exhibit B "Surety

All new services, extensions, and/or relocations of existing utilities in order to properly meet the Concessionaire's operational needs shall meet all code requirements and such services, extensions and/or relocations shall be provided at no expense to the Department.

The Department encourages the Concessionaire to provide and install or cause the Sub-tenants to provide and install meters for utilities used at the Concessionaire's or its Sub-tenant's expense

The Concessionaire must ascertain the extent of the existing utility capacities, before designing any new loads to be connected to existing systems and piping. The Department agrees to cooperate in providing access to the Locations.

Such maintenance by the Department may be subject to interruption caused by repair, strikes, lockouts, labour related controversies, inability to obtain fuel, power or parts, accidents, breakdowns, catastrophes, national or local emergencies, and other conditions beyond the control of the Department. If the Concessionaire's or Sub-Tenant's Locations are of such a condition as to significantly impact the Concessionaire's or a Sub-tenant's operations for a period in excess of seventy two (72) hours and such damage is not insurable under an insurance policy of the type required to be maintained by the Concessionaire pursuant to this Agreement or the Sub-tenant pursuant to the Sub-lease or license agreement, the Department shall provide a rent abatement for that portion of the Locations rendered unusable for that period of time that the Department is unable to make repairs required by **Sub-Article 6.01 "Department Services"**.

- C. No Other Obligation of Department: The Concessionaire acknowledges that the Department has made no representations or warranties concerning the suitability of the Locations for the Concessionaire's or its Sub-Tenant's use or for any other use, and that except as expressly provided in this Agreement, the Department shall have no obligations whatsoever to repair, maintain, renovate or otherwise incur any cost or expense with respect to the Locations or any improvements, furnishings, fixtures, trade fixtures, signage or equipment constructed or used on or in the Locations by the Concessionaire or its Sub-Tenants.
1. The Concessionaire hereby confirms that it has made its own investigation of all the costs of doing business under this Agreement, including the costs of furnishings, fixtures, trade fixtures, inventory, signs and equipment needed for Sub-tenants to operate from the Locations hereunder, that it has done its own projections of the volume of business expected to be generated, that it is relying on its own business judgment concerning its prospects for providing the services required under this Agreement on a profitable basis, and that the Department has not made any representations or warranties with respect to any such matters.
 2. The Department does not warrant the accuracy of any statistics or projections relating to the Airport and its operations, which have been provided to the Concessionaire by the Department or anyone on its behalf and the Department shall not be responsible for any inaccuracies in such statistics or their interpretation.
 3. All statements contained in this Agreement or otherwise made by the Department or anyone on its behalf concerning any measurement relating to the

Locations or any other area of the Airport are approximate only, and any inaccuracy in such statements of measurements shall not give rise to any claim by the Concessionaire under or in connection with this Agreement.

4. The Department shall not be liable to the Concessionaire for any loss of business or damages sustained by the Concessionaire as a result of any change in the operation or configuration of, or any change in any procedure governing the use of, the construction improvements of the terminal building.

ARTICLE 7—FURNITURE, FIXTURES AND EQUIPMENT

The ADA imposes obligation on both public entities, like the Department and those private entities that offer services for the convenience of users of the public entities’ locations. In some circumstances, the public entity must ensure that the operations of the private entity comply with the public entity’s ADA obligations. In most cases the ADA obligations of the Department and the Concessionaire will be the same. However, the Department reserves the right to require the Concessionaire to modify its or its Sub-Tenant’s operations or its physical locations to comply with the Department’s ADA obligations with respect to the Locations, as the Department in its sole discretion deems reasonably necessary.
- 7.03 DISPOSAL OF FURNITURE, FIXTURES, AND EQUIPMENT:** At least thirty (30) calendar days prior to the expiration of this Agreement, or upon termination pursuant to **Article 12 “Default and Termination by County”** or **Article 13 “Claims and Termination by Concessionaire”** hereof, the Department shall exercise, at its sole discretion, one (1) of the following options as to any equipment, furnishings, fixtures, signs, or carts installed in the Locations by the Concessionaire or any Sub-tenant:
- (A) Require the Concessionaire to remove such equipment, furnishings, fixtures, signs, or carts from the Locations within five (5) days following the expiration or earlier termination of this Agreement, subject to the provisions of **Sub-Article 4.01 “Improvements to Locations”**; or

If the Locations are not kept clean in the as provided in the Standard of Operations (Exhibit L) the Concessionaire will be so advised and shall take immediate corrective action. Failure to take immediate corrective action may result in penalties being assessed pursuant to **Sub-Article 3.24 “Penalties”**.

8.02 REMOVAL OF TRASH: The Concessionaire shall, at its cost and expense, remove or cause to be removed from the Locations and properly disposed of in Department provided containers, all trash and refuse of any nature whatsoever which might accumulate and arise from the operations hereunder. If the Concessionaire enters into agreements for the janitorial and trash removal or any Sub-tenant service within the Locations, such service providers must have permits issued by the Department to do business at the Airport. Trash shall not be stored in any area visible to the public nor cause a private or public hazard through its means of storage. All edible items must be contained so as to minimize exposure to pests. The Concessionaire shall have the right to charge Sub-tenants for a proportionate share of any such costs and expenses incurred to remove and properly dispose of all trash, refuse, and pest control as a result of inactions or actions by the Concessionaire and/or its Sub-tenants of any nature whatsoever. Any trash left or stored in any area visible to the public or edible items not properly contained may result in penalties being assessed pursuant to **Sub-Article 3.24 “Penalties”**.

The Department reserves the right to back charge the Concessionaire for waste disposal a proportionate share in a non-discriminatory manner either indirectly through rental rates or directly by a Department generated bill for actual usage. Such charges shall not exceed the Department’s actual costs.

The Concessionaire shall repair or cause to be repaired, at or before the end of the Term of this Agreement, all injury done by the installation or removal of furniture and personal property so as to restore the Locations to the state they were at the

commencement of this Agreement, reasonable wear and tear excluded. The Department may, at any time during normal business hours, enter upon the public areas of the Locations, or with appropriate notice, enter upon the non-public areas of the Locations, to determine if maintenance is being performed satisfactorily. The Department may enter upon any Location when a Location is not open for business if the Department provides the Concessionaire notice no less than two (2) hours in advance so that a representative of either the Concessionaire and/or a representative of the applicable Sub-tenant may be present, except in the case of real or perceived emergencies where no such representatives shall be required to be present. If it is determined that said maintenance is not satisfactory, the Department shall so notify Concessionaire in writing. If said maintenance is not performed by Concessionaire (or if the Concessionaire fails to cause the Sub-tenant to perform such maintenance) to the satisfaction of the Department within seven (7) calendar days after receipt of such written notice, Department shall have the right to enter upon the Locations and perform such maintenance and charge Concessionaire for such services.

Failure to pay said costs upon billing by the Department will cause this Agreement to be in default as stated in **Sub-Article 12.02 "Payment Default"**.

- 8.05 ENVIRONMENTAL RECYCLING:** The Department is actively engaging in the development of environmental programs. A recycling program is planned at the Airport to include the participation of all Airport Concessionaires. Participation in this program, once established, will be mandatory. The Concessionaire and/or its Sub-tenants shall agree to bear any reasonable and actual costs associated with the implementation and continued operation of this recycling program, or propose for approval by the Department an alternative environmental recycling plan which such approval shall not be unreasonably withheld.

Proper disposal of contaminated and/or regulated materials generated by the Concessionaire or its Sub-tenants is the sole responsibility of the Concessionaire. ARTICLE 9 – ASSIGNMENT AND OWNERSHIP

- 9.01 NO ASSIGNMENT:** The Concessionaire shall not assign, transfer, pledge or otherwise encumber this Agreement nor shall the Concessionaire allow others to use the Locations, without the prior written consent of the Department.

If the Concessionaire is a partnership, transfer of any interest in the partnership, which results in a change in control of such Concessionaire, shall be deemed an assignment of this Agreement for purposes of this **Article 9 “Assignment and Ownership”**.

9.04 HOLDOVER:

A. With the Department’s Permission:

If the Concessionaire (or anyone claiming through Concessionaire) shall remain in possession of the Locations or no less than seventy percent (70%) of the square footage of the Locations thereof after the termination of this Agreement, by written agreement executed by the Department the person or entity remaining in possession shall be deemed a tenant at sufferance otherwise subject to all of the provisions of this Agreement. The Concessionaire shall thereafter continue to pay the Minimum Monthly Guarantee; as such Minimum Monthly Guarantee is subject to an annual Consumer Price Index adjustment. Such adjustment will be calculated by dividing the most recent Consumer Price Index published immediately prior to the expiration of the Concession Agreement and the most recent Consumer Price Index published one year immediately prior to the termination date and multiplying such amount by the Minimum Annual Guarantee. The recalculated Minimum Annual Guarantee will be used as the basis for calculating the Minimum Monthly Guarantee. Notwithstanding the adjustment, in no event will any adjustment by the Consumer Price Index cause the Minimum Annual Guarantee for any year to be lower than the amount of such Minimum Annual Guarantee for the Term. If the Consumer Price Index is discontinued or revised during the Term, any such other governmental index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Consumer Price Index had not been discontinued or revised.

In addition, the Concessionaire shall pay the applicable Monthly Percentage Fee, and monthly installment or rent for the Concessionaire's Office pursuant to Sub-Article **3.06 "Annual Rental"** (if Concessionaire remains in such Space), on account of the holdover use and occupancy of the Locations. One-sixtieth (1/60) of any un-amortized investment amounts per store Location owed the Concessionaire by the Department, for the slippage in Location turnover shall be extinguished, for each additional month the Concessionaire or its Sub-tenant remains in possession of any portion of the Locations. This provision shall survive the expiration or the termination of this Agreement.

B. Without Department Permission:

If the Concessionaire (or anyone claiming through Concessionaire) shall remain in possession of the Locations or any part thereof after the termination of this Agreement, without a written agreement executed by the Department, then without limiting the Department's other rights and remedies, the person or entity remaining in possession shall be deemed a tenant at sufferance otherwise subject to all of the provisions of this Agreement. The Concessionaire shall thereafter pay on account of its holdover use and occupancy of the Locations a sum, at a rate equal to two times (2x) the amount payable monthly as MMG PLUS Monthly Percentage Fee PLUS monthly installment of the administrative support space annual lease rental pursuant to **Sub-Article 3.06 "Annual Rental"**, and with all additional rent also payable as provided in this Agreement (the "Holdover Charges"). Imposition of Holdover Charges, extinguishes any un-amortized investment amounts owed the Concessionaire by the Department, for the slippage in Location turnover. The Holdover Charges shall be payable weekly in advance. Notwithstanding the above, the Concessionaire shall remain liable to the Department for all damages resulting from such breach, with the amount of any Holdover Charges accepted by the Department on account of the holdover considered as mitigation of such damages. The covenant in this Sub-Article shall survive the expiration or the termination of this Agreement.

ARTICLE 10 – INDEMNIFICATION

10.01 INDEMNIFICATION REQUIRED OF CONCESSIONAIRE: The Concessionaire shall indemnify, defend, and hold harmless the Department and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorney's fees and cost of defense, which the Department or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Concessionaire or its employees, agents, servants, partners, principles or any other persons. The Concessionaire shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Department, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon.

The Concessionaire expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Concessionaire shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Department or its officers, employees, agents and instrumentalities as herein provided.

ARTICLE 11 – INSURANCE

The certificates and policies must provide that, in the event of any material change in or cancellation of the policies reflecting the required coverage, thirty days advance notice shall be given to the MDAD Risk Management.

11.1.04 Compliance with the foregoing requirements as to the carrying of insurance shall not relieve the Contractor from liability under any other portion of this Contract.

11.1.05 Cancellation of any insurance or bonds, or non-payment by the Contractor of any premium for any insurance policies or bonds required by this Contract shall constitute a breach of this Contract. In addition to any other legal remedies, the Owner at its sole option may terminate this Contract or pay such premiums, and deduct the costs thereof from any amounts that are or may be due to the Contractor.

11.1.06 The Contractor shall be responsible for assuring that the insurance certificates required in conjunction with this section remain in force for the duration of the agreement. If insurance certificates are scheduled to expire during the contract period, the Contractor shall be responsible for submitting new or renewed insurance certificates to MDAD's Risk Management Office at a minimum of thirty (30) calendar days before such expiration.

11.1.07 The Owner reserves the right, upon reasonable notice, to examine the original policies of insurance (including but not limited to: binders, amendments, exclusions, endorsements, riders and applications) to determine the true extent of coverage. The Contractor agrees to permit such inspection at the offices of the Owner.

12.03 OTHER DEFAULTS: The Department shall have the right, upon thirty (30) calendar days written notice to the Concessionaire to terminate this Agreement upon the occurrence of any one or more of the following unless the same shall have been corrected within thirty (30) calendar days after written notice; provided, however, that if it is not reasonably possible to cure such failure within such thirty (30) day period, such cure period shall be extended for an additional period of such duration the Department shall deem appropriate without waiver of any of the Department's rights hereunder, if within the thirty (30) days after such written notice the Concessionaire commences to cure such default and thereafter diligently and continuously continues to cure such default:

In the event of any such subsequent breach or default, the Department may terminate this Agreement upon the giving of written notice of termination to the Concessionaire, such termination to be effective upon the seventh (7) day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Concessionaire shall have no further rights hereunder. Immediately upon receipt of said notice of termination, the Concessionaire shall discontinue its operations at the Airport and proceed to remove all its personal property in accordance with **Sub-Article 12.10 "Actions at Termination"** hereof.
- 12.05 NOTICE OF DEFAULT AND OPPORTUNITY TO CURE:** If an Event of Default occurs, the Department shall notify the Concessionaire by sending a notice of default Notice, specifying the basis for such Event of Default, and advising the Concessionaire that such default must be cured immediately or this Agreement with the Department may be terminated. - 12.07 TERMINATION FOR ABANDONMENT:** This Agreement may be terminated in its entirety upon the abandonment by the Concessionaire of the Locations or the voluntary discontinuance of Concessionaire's services at the Airport for any period of time exceeding twenty-four (24) consecutive hours, unless such abandonment or discontinuance has been

The foregoing shall not include periodic Sub-tenant vacancies in individual Locations that may occur from time to time during the Term of this Agreement.

The decision of the Director will be final and conclusive unless, within thirty (30) calendar days from the date of receipt of such copy, the Concessionaire mails or otherwise furnishes to the Department a written appeal addressed to the County Manager. The decision of the County Manager, or his duly authorized representative for the determination of such appeals, will be final and conclusive unless within thirty (30) calendar days of the Concessionaire's receipt of such decision, the Concessionaire files an action in a court of competent jurisdiction. In connection with any appeal proceeding under this provision, the Concessionaire shall be afforded an opportunity to be heard and to offer other evidence in support of the appeal. Pending final decision of a dispute hereunder, the Concessionaire shall proceed diligently with the performance of this Agreement and in accordance with the County's decision. Failure to perform in accordance with the decision of the Director or the County Manager shall be cause for termination of this Agreement in accordance with **Sub-Article 12.03 “Other Defaults”**. The failure of the Concessionaire to comply with this administrative claim procedure shall be cause for a waiver of claim and an abandonment of any claim arising out of the event.
- 13.02 TERMINATION:** The Concessionaire shall have the right, upon thirty (30) calendar days written notice to the Department to terminate this Agreement, without liability to the Department, at any time after the occurrence of one or more of the following events:

ARTICLE 14 - AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISES (ACDBE)

14.01 ACDBE REQUIREMENTS: It is the policy of the County that ACDBE's shall have the maximum practical opportunity to participate in the performance of County agreements. As used in the Bid Documents, the term "Airport Concession Disadvantaged Business Enterprises (ACDBE)" means a small business concern, which (a) is at least fifty-one percent (51%) owned by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it as set forth in 49 CFR Part 23, Code of Federal Regulations. The County has established an ACDBE concession specific goal of 11% (eleven) percent of gross revenues. The ACDBE overall goal can be achieved either through the Concessionaire being an ACDBE itself, a partnership or joint venture, or subcontracting a percentage of gross revenues.

The Airport Concession Disadvantaged Business Enterprise (ACDBE) Plan must be submitted with the Proposal in accordance with Appendix H, Section II and its supporting documents. The Concessionaire will be required to submit to the Department's Minority Affairs Division, Monthly Utilization Reports (MUR) reflecting ACDBE revenue and operational expenses, commencing 90 days after beneficial occupancy and monthly thereafter, on or before the 10th of every month.

14.02 COUNTING ACDBE PARTICIPATION TOWARD CONTRACT GOALS

1. When an ACDBE participates in a contract, only the value of the work actually performed by the ACDBE toward the ACDBE goal will be counted.
2. When an ACDBE performs as a participant in a joint venture, a portion of the total dollar value of the contract during the complete contract term, equal to the distinct clearly defined portion of the work of the contract that the ACDBE performs will be counted toward ACDBE goals as outlined in Appendix H.
3. Expenditures to an ACDBE contractor toward ACDBE goals will be counted only if the ACDBE is performing a commercially useful function as defined below:
 - (a) An ACDBE performs a commercially useful function when it is responsible for execution of specific quantifiable work of the contract and is carrying out its responsibilities by actually performing, or managing, or supervising the specific identified work.

MDAD will determine whether an ACDBE is performing a commercially useful function by evaluating the specific duties outlined in the Joint Venture Agreement; the subcontract agreement or other agreements in accordance with industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors.

- (b) An ACDBE does not perform a commercially useful function if its role is limited to that of an extra participant in a financial or other transaction, contract, or project through which funds are passed in order to obtain the appearance of ACDBE participation.
- (c) If an ACDBE does not perform or exercise responsibility for at least their percentage of its participation or if the ACDBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that the ACDBE is not performing a commercially useful function.
- (d) When an ACDBE is presumed not to be performing a commercially useful function as provided in paragraph (c) of this section, the ACDBE may present evidence to rebut this presumption. MDAD will determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.

4. MDAD's decision on commercially useful function matters are final.

A "joint venture" or ("JV") shall mean and may be referred to as an "association" of two or more businesses acting as a concessionaire and performing or providing services on a contract, in which each joint venture or association partner combines property, capital, efforts, skill, and/or knowledge. The joint venture agreement must specify the following:

- (1) Each ACDBE joint venture ("JV") partner must be responsible for a clearly defined portion of the work to be performed. The work should be detailed separately from the work performed by the non-ACDBE JV partner.

The work should be submitted as part of this solicitation and annually thereafter to the Aviation Department's Minority Affairs Division. The work to be performed by the ACDBE joint venture partner should be store specific with regards to tasks and locations.

The ACDBE Joint Venture partner will be required to spend the minimum amount of aggregate time on-site, focused on the operation of the concession. Such "minimum amount of aggregate time" is defined as ten hours per week.

- (2) Each Joint Venture partner must submit a notarized Monthly Utilization Report and a notarized Monthly Report of ACDBE Joint Venture Activity providing details of how the performance objectives were achieved and providing documentation of that achievement on the form. This information should include, but not be limited to:
 - a. Details of training sessions, including class rosters and lesson plans.
 - b. Deliverables and work products.
 - c. Time sheets of partner employees used to fulfill objectives. Time sheets must accurately reflect hours worked and compensation earned.

- d. Proof that employees of partners actually work for them (payroll, payroll tax returns and the like).
